

Spending a little extra on your new VE not only adds a bit of Brock flavour but transforms it into a modern-day shrine of the HDT legacy

## FAMOUS BROCK COMMODORES, BY THE VK AND VL GROUP A MODELS

### *Maybe?*

NO PLANS at the moment for a new 'retro' HDT ute, but it's hard not to see the possibilities. Although HDT produced the Magnum ute with some success, the hot workhorse market has been dominated by HSV's Maloo - still, that retro look certainly works with VE, so you never know.
